**RE: TROUBLESOME CREEK ENVIRONMENTAL AUTHORITY
CASE NO. 2010-00017**

Dear Mr. Tackett:

Thank you for your letter of May 23, 2011 informing me that due to inclement weather and financial delays the project referenced in Case No. 2010-00017 had not been completed. That is totally understandable.

You mentioned that the new completion date was expected to be some time in June. Could you or Steve Harris please provide an update of the current status of the project so that I can update that file? Thank You.

Sincerely,

Linda Faulkner
